

## Sequoyah High School Summer Reading List 2017

Find your grade level below and chose ONE book from that grade level's list to read over the summer.

**or**

All grades have the option to read NEWSELA articles online for summer reading credit (20 news articles, at your reading level). Go to [NEWSELA.com](http://NEWSELA.com) and set up a student account. Join the class "Sequoyah Summer Reading 2017." The Class Code to join is: 2VA7S8. Read articles that interest you and log them on our log sheet. You can get a log sheet from your current English teacher, in the office, or you will be able to download it from the school website this summer ([sequoyahhigh.com](http://sequoyahhigh.com)). Turn in the sheet to your English teacher at the beginning of the fall semester. Please email Ms. Lowrey at [lowrey\\_a@hcde.org](mailto:lowrey_a@hcde.org) for questions about this option. You must have internet for this one.

If you'd like to choose the book option, find the grade you will be entering in the fall and choose ONE of the books from your grade level to read. Your English teacher will assess your selection in the fall.
